# ADVISING AT HAMILTON

2021–2022

---

Advising at Hamilton helps students make responsible, informed decisions about their intellectual development. Working with a variety of advisors, students craft an educational plan reflecting their particular interests and abilities, and the College's purposes and goals. The plan, which typically evolves over time, balances the freedom of an open curriculum and the breadth of a liberal arts education.

## DEAN OF STUDENTS

<https://www.hamilton.edu/offices/dos>

Associate Dean of Students

- Academics & Honor Code (Adam Van Wynsberghe)
- Diversity and Inclusion (Maria Genao-Homs)
  - Student Support (Sarah Solomon)
  - Case Manager (Emma Moteyunas)
- International Students and Accessibility (Allen Harrison)
- Director of Community Standards & Title IX Coordinator (Catherine Berryman) <https://www.hamilton.edu/offices/hsmmb>
- Assistant Director of Community Standards (Dayna Campbell)
- Residential Life (Ashley Place)

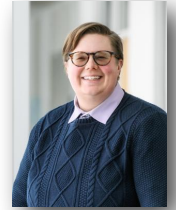

# ALEX (ADVISE, LEARN, EXPERIENCE)

ALEX is Hamilton's new coordinated advising network tailored for each student's academic success, career preparation, experiential learning, and personal growth, being phased in with the Class of 2025. Hamilton's academic centers and programs will help you write more persuasively, speak more clearly, calculate more precisely, understand more deeply, research more effectively, and make connections more easily.
