

The logo features the word "Flipgrid" in a white, rounded, sans-serif font. It is set against a bright green background that is shaped like a speech bubble with a pointed right side. Below this green shape is a dark green, rounded shape that tapers to the right, creating a layered effect.

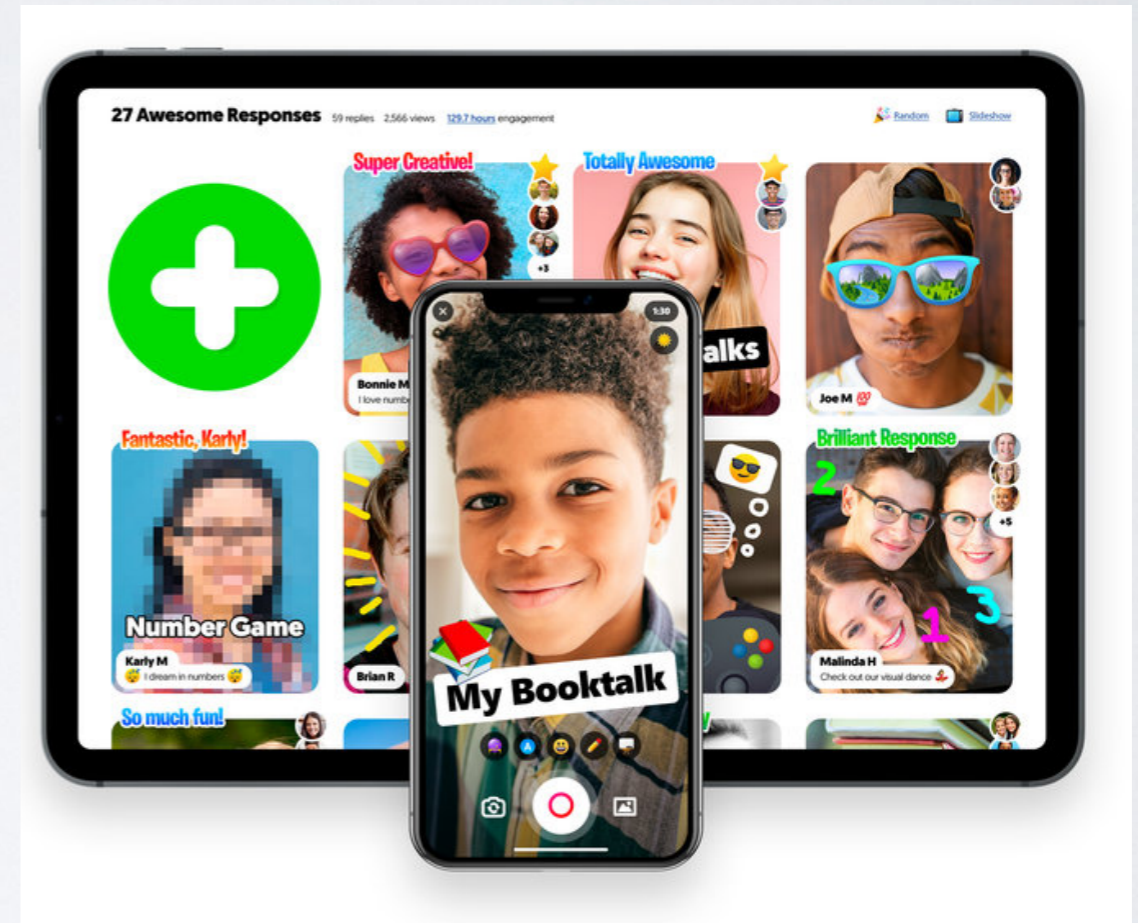

**Flipgrid**

FLIPGRID

An Introduction

# FLIPGRID IS:

- An asynchronous message board/response system.
- Video based
- Free

# THE BASICS

- Flipgrid is a message board system that uses video clips instead of typed comments.
- Start a topic, and open it to your students. They record their responses via laptop or phone, and upload the video to the discussion “Grid”
- Students can respond to other students’ videos by recording their own posts.
- You as an instructor/owner of the grid can give individual feedback on students’ videos as well.

IT DOES HAVE  
A CARTOONY,  
“FUN” SORT OF  
VIBE TO IT.

The original target audience was classrooms K-12, but its utility stretches beyond that, and the company is recognizing the higher education potential.

# Empower every voice.

Flipgrid is 100% free for all educators, learners, and families. Engage and empower every voice in your classroom or at home by recording and sharing short, awesome videos...together!

YOUR HOME PAGE WILL LOOK LIKE THIS.

Click Add New Grid.

# THAT BRINGS UP THIS WINDOW/MENU

- You would want to make one Grid per class.
- Select School Email for students to access the Grid via their @hamilton.edu emails
- Click 'NEXT'

## Let's Make a Grid! ✕

**Name your Grid** Required

 0/45

**Select a Grid Type** Required

Grid types make it easy to control who can join. [Learn more](#)

 **School Email**  
Students join using their Microsoft or Google school email.

 **Student ID**  
Create a list of student IDs to join your Grid **[not for EU]**.

 **Public and PLCs**  
Share the Grid with your network and the world.

**Create a Flip Code**  
Students use this to join your Grid.

 13/20

CONFIRM THE  
SCHOOL MAIL  
SUFFIX HERE:

### School Email

Students enter the Flip Code and verify their school email using Microsoft or Google.

**Add School Email**  
We added your school email already. Add your students' school email if it's different from yours.

**Two quick notes:**

- A Microsoft or Google account is required.
- Add multiple domains if educators and students have different email domains.

[< Back](#) [Next](#)

Click 'Next'

**Your Grid is Ready!**

We've created an introduction Topic to start the discussion.

**Let's kickstart the discussion!**  
Share the Flip Code below with your students.

flipgrid.com/revenaugh3721 **Copy**

**Go to your Grid**

This Link will take students to the Grid.

Click here to complete Grid creation and go to your dashboard.

<input type="checkbox"/> <a href="#">Actions</a>	Name	Date	Replies	Feedback	
<input type="checkbox"/>	<b>Mike R</b> 0 views	Mar 31, 2020	-	-	<a href="#">Active</a> <a href="#">Share</a> <a href="#">Actions</a>

Now the topic page looks like this.

All responses to the topics will be listed, along with the view count, and how long students have spent watching/engaging with the response videos.

The screenshot displays the Flipgrid 'Leave a Vibe!' interface. On the left is a video player showing a man with a beard, Mike Revenaugh, with a play button and a progress bar at 0:06. The video title is 'Leave a Vibe!'. Below the video, the name 'Mike Revenaugh' is shown, along with 'Display Name: Mike R', the date 'Mar 31, 2020 9:29am', and '1 view'. A Flip Code '14908ff1' is also visible. On the right is a feedback sidebar with tabs for 'Feedback', 'Edit', and 'Share'. The 'Feedback' tab is active, showing a 'Video Feedback' section with a green plus icon and the text 'This video will only be available to Mike R.'. Below this is a 'Grading Rubric' section with a title 'Score Mike's video based on the Topic criteria. Edit the rubric.' and two dropdown menus for 'Ideas' and 'Performance'. A 'Comments' section follows with the text 'Add detailed feedback for Mike.' and a text input field with a character count '0 / 1024'. At the bottom of the sidebar is a 'Share Feedback' section with the text 'Students can visit my.flipgrid.com to view the feedback. You can also email or copy the link directly to students.' and two buttons: 'Copy Feedback Link' and 'Email Feedback'.

When you click on a response video, this is what you see.  
Lots of options here.

Vibes are instructor comments visible at the top of each video.

“Great Job” “Thoughtful Response” “Good Point!”  
etc.

The screenshot displays the Flipgrid interface. On the left is a video player showing a man with a beard. Above the video is a 'Leave a Vibe!' button. To the right is a feedback panel with tabs for 'Feedback', 'Edit', and 'Share'. The 'Feedback' tab is active, showing a 'Video Feedback' section with a green plus icon and a note that the video is only available to 'Mike R.'. Below this is a 'Grading Rubric' section with two dropdown menus for 'Ideas' and 'Performance'. Underneath is a 'Comments' section with a text input field and a character count '0 / 1024'. At the bottom of the feedback panel are two buttons: 'Copy Feedback Link' and 'Email Feedback'. The video player shows the name 'Mike Revenaugh', 'Display Name: Mike R', and 'Mar 31, 2020 9:29am 1 view'. A 'Flip Code: 14908ffi' is also visible.

Record your own video in response

Assign Grades to responses (optional)

Provide written feedback that is shared only with the student who posted the video

Get links or email alerts to feedback directly to the student
