

CAP Minutes  
March 31, 2010

Present: Professors Katherine Kuharic, Craig Latrell, Seth Major, Kyoko Omori, Penny Yee.

Meeting convened at 4:15pm.

Minutes from March 10th approved.

Committee membership discussed.

Discussed masthead language and requirement changes, and how they take effect. The committee decided to normally hold masthead changes until the end of the spring semester and to request departments to include the phrase "Beginning with the class of" to clarify to whom the changes apply. Also, if the changes may apply to current concentrators then the department should allow students to finish under the masthead in effect when they decided on their concentration.

Discussed proposed educational goals and how to discuss them with students for input.

Discussed possible creation of a minor in Linguistics.

Discussed correlation between grading and evaluations, and how to assess the importance of this correlation.

Met with Rob Martin, Chair of Government, for allocation proposal in Government.

Meeting adjourned at 6:00pm.

Respectfully submitted,  
Craig Latrell
